June 10, 2003

Sir:

After entry of the Request for Continued Examination and the March 27
Amendment After Final Rejection, please amend the above-identified application as
follows.

IN THE CLAIMS:

Please amend claims 1, 6 and 8 as follows:

1. (Five Times Amended) A database processing method used in a database
system arranged in a client-server manner, comprising:
a first process of enabling a database server operating at a server to store
data processed on a database from said database, in response to a request of a
